FROM THE DESK OF RABBI PETER RIGLER

With the arrival of summer I am finally feeling the light at the end of the tunnel. It has been an incredible year, a challenging year and a fulfilling year. I can't really believe it is the end of five years of serving my Temple Sholom family. I feel very blessed!

We have so much to be proud of this year. Our exploration of *Middot* included incredible scholars and teachers. We held a very successful search for our next cantor, with special thanks to our search committee. With the leadership of Lori Green and our *Rimon* team, our School has found a meaningful new direction. Have you seen the Preschool? Yes, it has grown beyond our dreams but the quality of the program is something you need to see for yourself. The list goes on and on! I feel blessed to work with the staff of Temple Sholom, the lay leadership and our wonderful family.

Now it is time to prepare and plan for the next year. I don't see this as a task just about preparing for programs or holidays but, how do I recharge my own

soul? The Summer is my chance to recharge, refresh and reconnect. As I enter this summer I recall the words of one of my teachers, "We're not afraid of dying; we're afraid of living." These words were delivered several years ago during a course on preparing for Yom Kippur, Judaism's holiest day. But I often recall that line, and its implicit challenge, which echoes throughout the year: Can we seize our potential, right here, right now, before it's too late?

This summer I have a pile of books waiting, walks to take, trips to enjoy ... my goal is to live life this summer. How will you embrace this time of opportunity?

I hope you will also take time this summer to enjoy our community and to get to know the new Cantor and his family.

Wishing you a summer of joy and connection!

~ Rabbi Rigler

NOTES FROM CANTOR JAMIE MARX . . .

Anna, Ellie, Isaac, and I are thrilled to be joining the Temple Sholom family! During our visits, it was quite clear that this is a community built on a dedicated membership, led with vision and deep commitment by Rabbi Rigler, the lay leadership, and the rest of the staff. While many synagogues say they are "warm" and "welcoming," we sensed that Temple Sholom truly embodies these qualities.

During the interview process, I was impressed by the cutting-edge education program, the openness to innovative worship styles, the incredibly successful (and still growing!) Preschool, the many entry points for congregants to participate in life at the Temple, and the love and affection the community has for its building and its history. Scott Kalish and the Cantor Search Committee made the process of applying and interviewing for the cantorial position a downright pleasure, marked by the committee's sincere thoughtfulness and careful preparation. There was never a doubt in my mind that they wanted to find the right cantor for the Temple Sholom community.

Though we are new to the Philadelphia area, Anna and I lived in Hoboken, New Jersey for four years and came to love the Northeast. And being Californians by birth, we really love the idea of living in a region with actual seasons. Coming from New Orleans, many of our friends here looked at us skeptically and asked, "Do you know it snows in Philadelphia?!" And our answer is, every time: "We certainly do!"

Anna and I are very excited to be returning to the East Coast, to join this special community, and to bring our children into the Temple Sholom Preschool. I'm honored to have been chosen as your new cantor and I look forward to getting to know each and every one of you and to learning how I can best serve this wonderful community.

ANNUAL MEETING RECORDING SECRETARY'S REPORT

Every year, we get together for an annual meeting. This year we started the meeting with an ice cream social honoring our Cantor Kerith Spencer-Shapiro. The gathering gave us the opportunity to thank her for her three years as our Cantor. This was followed by our regular annual meeting that 48 members attended.

Rabbi started with a D'var Torah that discussed our history. We have been building a congregation for 58 years; we started the congregation as a place to call our own. That is our idea, and we are still building the congregation. It is a work of the heart and we support each other. "And they shall make Me a Sanctuary, that I may dwell among them." (Exodus 25:8)

Jim Meyer started the business part of the meeting by presenting the Slate of Officers and Trustees. The congregation then voted for five Trustees and four Alternates. While the vote was being counted, the meeting proceeded.

A video, made by Lori Green's daughter, Adina, of last year's activities in our Temple, and one of our Religious School followed. The year was certainly filled with activities for everyone.

Outgoing President Mike Danowitz commented on his two years in office. Congregations need self-reflection, where we have been and where we are going to. That is what we do here. We recognize milestones such as our Preschool which now has 64 students. Mike thanked all of the volunteer leaders. He also personally thanked four Trustees who chose not to run again, listing the works of each one: Brett Amdur, Carol Herman, Steve Querido, and Steve Berger.

Sisterhood co-presidents Donna Hendel and Fran Epstein reviewed the auxiliary's many activities for the women of the congregation. And they gave a lot of money – \$3,100 to the Life Center of Eastern Delaware County, a \$500 scholarship, nearly \$1,000 to the Religious School, funds to the Temple Library, sent gifts to college students at Hanukkah and Passover, donated the wine for the Congregational Passover

Second Night Seder, and gifted all the religious school students Hanukkah candles and dreidls. They sponsored the Oneg Shabbats for Scholar In Residence and Sisterhood Shabbat, presented engraved confirmation presents to all Confirmands, sponsored Women's Spirituality, sent funds for water conservation to Israel, sold Jewish National Fund Trees. The total social action contributions for the year were well over \$3,000. Sisterhood is a major supporter of the youth of ToaSTY and of Rosh Hodesh, It's A Girl Thing, and new group for younger girls, an offshoot of Rosh Hodesh. And after all that, they donated \$2,000 to the General Fund and \$1,000 to the Preschool playground. They have a packed calendar for next year.

Outgoing Brotherhood President Elliott Wunsh listed the group's many activities such as constructing the Sukkah, brunches, and food for the Holiday Bazaar and Second Night Seder, and the annual Christmas day movie night. Brotherhood donated \$2,000 to the General Fund.

Hilltoppers President Cindy Meyer pointed out that the group is not for fundraising, rather it is for fun raising amongst our seniors. There are monthly meetings, book clubs, and outings. Still, they donated \$800 to the General Fund, and \$200 for the new Preschool playground.

Rabbi took the opportunity to thank Joanna Gould for her efforts with youth, and thanked Laurie Albert for serving many years as our Tzedakah Fund chair. That Fund raised about \$7,000 this year for those less fortunate than ourselves.

Treasurer Steve Granoff started by thanking his Budget Committee for helping to create the budget for our next fiscal year. He noted that this past winter cost us much more than in recent years; more plowing, more heating, a new boiler motor, and fixing a leaking skylight. Starting in January, the committee projected our financial needs starting in July. We need to enhance our physical plant for security and inclusivity. Our dues only cover about 47% of our costs – we need your

support. Steve then made a motion to accept the 2014-2015 budget as presented which Nancy Bloomfield seconded and the congregation approved unanimously.

Every year, a Treasure of Sholom Award is presented to a congregant for their efforts on behalf of the Temple. This year, it was presented Jim Meyer for is 22 years of service on the Board, 20 of which he served as Recording Secretary. A *Makor Hayim* ("source of our strength") Award was presented to Scott Kalish for leading our Cantorial Search Committee, and one was presented to Regina Levin for her leading our Inclusivity Committee that looked at ways to make sure all can use our facilities. Beverly Granoff was presented the David Lefcourt Library Service Award for her correspondence on behalf of our Library.

Finally, the votes were counted and Jim Meyer read the results: President: Emily Mendell, Executive VP: Mary Ann Gould, Senior VP: Steve Kanes, Recording Secretary: Jim Meyer, At-Large Member: Shannon Farmer, and At-Large Member: Mark Rubinoff. Trustees for 2014-2016 are Nancy Bloomfield, Laurie Browngohl, Robin Gall, Rebecca Parmet, and Melissa Shusterman, and the Alternates are Mike Samuels, Melissa Fein, Jennifer Morgan, and Jeff Farhy.

Mike Danowitz thanked all volunteer's for their support, and the fabulous Rabbi and staff. He then passed the gavel on to incoming President Emily Mendell.

Rabbi remarked that we go from generation to generation, from moment to moment. We observed a moment of silence for our members passed away during this last year.

We ended the meeting by affixing a second mezuzah to the doorposts of our house, at a lower level so that all, whether child or wheelchair-bound, can access it, a recommendation of our Inclusivity Committee.

~ Jim Meyer, Recording Secretary

WORD FROM THE TEMPLE TREASURER

Another fiscal year has come and gone. This year we faced a number of challenges in trying to keep our financial ship upright. The winter, rough as it was on us physically, was twice as tough on us fiscally. Our snow-plowing costs which were minuscule in 2013 skyrocketed to almost \$15,000 in this past winter. Our utility costs also exceeded the prior two years by over 25%.

And our physical plant suffered as well. A new boiler motor has been installed and major repairs to our roof and skylight can all be attributed to the weather. In planning last year's budget, the Finance Committee managed to provide for most of these increases. But budgeting doesn't pay the bills – it only plans for the added costs. The real drain was on our treasury. The winter, coupled with the expenses to find our new Cantor, understandably wreaked havoc on our financial planning for the past year causing us to have to dip into our reserve funds to meet day to day operations.

The budget process is a long and often tedious process. Starting in January, we meet as a committee to begin the process of putting together the current numbers and trying to predict our needs for the year beginning in July. Department heads and committee chairs are notified and interviewed to get their perspective on what they anticipate their needs will be. We meet frequently to deliberate, plan and finally start to formulate the budget so that by the end of April, four months after starting the process, the whole thing is completed. It's sort of like watching bologna being made - Hebrew National, of course.

I am an extremely fortunate person to have a group of people with a single-minded purpose and the good of the Temple at heart who put in the long hours necessary to get this most necessary of tasks accomplished. I want to thank them by name for their commitment: Rachel Amdur, Sandy Barth, Steve Berger, Nancy Bloomfield, Robin Gall, Mary Ann Gould, Steve Hendel, Alan Kirsch, Jim Meyer, Mike Samuels, Mitch Wolfson, Art Zabell; and our ex-officios Mike Danowitz, Abbey Krain and Emily Mendel for your advice and support. This is a joint effort and takes a great deal of time and dedication and I thank each and every one of you for all of that.

In this year's budget we recognized that our facilities are in need of major repair and improvements. We are

also aware that our primary obligation is the safety and security of our Temple community. Therefore, in addition to providing what we feel are sufficient funds to weather whatever this winter has coming, we have set aside a significant amount for capital improvements and security. We are also providing funds for our Inclusivity Committee to begin instituting their program to make our facilities more open for our physically challenged members. Recognizing their value to our community, we have also provided for increases and benefits for our staff.

We have done all of this while keeping our dues increase to a modest \$20 amount. This is an accomplishment of which I am most proud. But the next step belongs to all of us. Our dues cover only 47% of our costs. To accomplish all that's in the budget, we need to think about Temple and participate whenever we can and contribute as much as we are able. Our challenge is great but together we can be greater. It is my privilege to serve as your Treasurer and I look forward to the coming Temple year and may we grow stronger together.

~ B'Shalom *Steven L. Granoff, CPA*

NEWS FROM THE INCLUSION AND SPECIAL NEEDS COMMITTEE

The Committee is happy to report that a mezzuzah that is reachable for people in wheelchairs and readable by blind people was installed by the Temple's front door. Rabbi Rigler provided a blessing for the installation during the Temple's Annual Meeting on Sunday, June 22. Please check it out!

Plans are now underway for offering two Saturday afternoon Shabbat services in December and February dedicated to children with special needs and adults with intellectual challenges. The services will consider the needs of children with autism or who are "on the spectrum" or who have other special needs, who would otherwise not be able to participate in typical Family Shabbat services. This will enable these children and adults to celebrate Purim since these services will accommodate those with sensory challenges. A committee is working with Rabbi Rigler to assure that the services are designed to accommodate the needs of the children and adults we wish to serve and include.

Plans are also in the works for a special Shabbat service in February in honor of Jewish Disabilities Awareness Month.

We continue our mission to help Temple Sholom be a fully inclusive community that strives to meet the special needs of adults and children with disabilities. The committee has taken on an advisory role to assist all committees and groups who plan meetings and events to help them effectively plan so that they are inclusive and welcoming to people with disabilities. If you would like to help support this mission, please consider making a donation to the Inclusion and Special Needs Fund. This fund will help Temple Sholom purchase needed services and supplies.

SISTERHOOD HAPPENINGS

For those of you unable to attend the Congregational Annual Meeting in June, we want to give you a recap of Sisterhood's Report.

Sisterhood experienced an exciting year, filled with events – both fun and educational – as well as social action programs, successful fundraising, and more. We are specifically proud of our continued quest for inclusivity for all our women members as we strive to improve the Temple, the Union for Reform Judaism, and the world.

As one of the fundraising arms of Temple Sholom, Sisterhood is proud to donate every year to the Temple's General Fund. Our contribution for this year was \$2,000. We were furthermore pleased to announce our commitment to the planned Preschool Playground with an earmarked Preschool Playground pledge of \$1,000.

Based on revenue from Bimah Baskets, Sisterhood donated more than \$2,000 to the Life Center of Eastern Delaware County. Our Scholarship Committee awarded one deserving teen, Abigail Brownoghl, a check for \$500 for her winning essay on "What choices have I made to enrich my Jewish identity?" We gave nearly \$1,000 to Religious School. We've allocated funds to the Temple Library, sent gifts to college students at Hanukkah and Passover, presented winter holiday gifts to Temple employees, supplied wine at no cost for the Congregational Passover second Seder, and gifted all the Religious School students with Hanukkah candles and dreidels. Sisterhood sponsored the Oneg Shabbats for Scholar In Residence and Sisterhood Shabbat, and presented engraved confirmation presents to all Confirmands.

And that's not all! It was our great pleasure to again this year increase our monetary allocation to our Sisters of Women's Spirituality (which Sisterhood founded), and we donated all of our profit from sales of scrip back to the Temple. Furthermore, we sent funds for water conservation to Israel, as well as having sold an impressive 31 Jewish National Fund Trees and 63 Happiness and Memorial Cards.

Looking ahead to this upcoming Fall, the Women of Reform Judaism Regional Conference will be held in King of Prussia. We are planning to send a significant delegation to this event, and Sisterhood has already pledged to be a sponsor of the WRJ for the Conference.

Additionally, Sisterhood will continue to be a major supporter of the youth of ToaSTY and the girls of Rosh Hodesh, It's A Girl Thing. And, have you heard about the new group for younger girls, an offshoot of Temple Sholom's Rosh Hodesh? Sisterhood is pleased to have made a commitment to this new group, and we look forward to increased collaboration across the generations.

Our fundraising plans for next year will be grander than ever. With a return to a less unusual date on the calendar for Hanukkah, Sisterhood will be reinstating our Hanukkah Dinner. We will again hold a bigger-than-ever-before Hanukkah Bazaar. And, have you heard the rumors yet about our springtime Rummage Sale? It promises to be absolutely awesome!

What else keeps our Sisterhood members busy? We will begin our fourth year of our successful Sisterhood Book Club with increased membership. You can count on finding a group of us at King of Prussia Mall doing fancy holiday gift wrapping. Sometimes, we are called upon because we are a strong force of dedicated women: you will find Sisterhood members preparing meals for the homeless, running The Gift Garden, preparing for the Congregational second Seder, and house sitting and serving at shivah homes. Sisterhood will also continue to collect Tzedakah at our programs to support Temple Sholom's Tzedakah Fund.

Sisterhood's calendar for next year is exciting and chock full. We can hardly wait to begin. We expect another fabulous year to come because we expect that our leadership for, and dedication to, Sisterhood is contagious to all our women congregants. We had such a great year sharing the helm of leadership together, and we look forward to working together again next year. What's more, we haven't been alone, but instead have been supported in so many ways by our many Sisterhood members. This past year, we counted more than 90 women in our membership, and probably more than half of those women were supportive and involved. We're counting on bigger and better for next year – join us!

If you have suggestions, comments, or just want to chat, keep in touch by writing us at sisterhood@temple-sholom.org.

A THANK YOU FROM THE SCOLNICK FAMILY

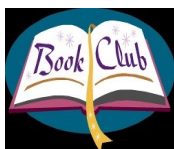

I wanted to thank you again for including information about our family’s blood drive in the May edition of *The Temple Tidings*. The drive took place last week. It was our third blood drive in Radnor Township, and we had more people come to donate at this location than ever before. I know that at least one Temple Sholom member came to donate after reading about the drive in the *Tidings*! My husband and I greatly appreciate your help in making people aware of what we were doing.

We collected enough blood to enable more than 350 hospital patients to receive the transfusions they will need in the coming weeks, and that is the most important outcome of all. Thank you again for your support of the blood drives that we hold in my mother’s name!

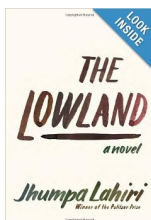

I hope you have a wonderful summer.

~ Best wishes, *Michelle Scolnick*

HAVDALLAH IN THE HOME

The Temple Havdalah in the Home group looks forward to another season of sharing.

A little spirituality, a lot of good conversation, and good food makes a perfect ending to any Shabbat. Look forward to announcements right after High Holy Days. If anyone wants to start their own group such as parents of Bar/Bat Mitzvah kids, teens, parents of tots or any special group feel free to contact Bob Slater at bobnmarians@aol.com for tips and help.

Happy Summer Everyone! I hope you all had a wonderful school year and are now getting

time to relax and enjoy your summer. ToaSTY is on the move, getting ready for the new calendar year and we have BIG things planned! We are looking forward to our incoming freshman class and hope they have a smooth transition from middle to High School.

To end our year, we had four amazing events that took place from the end of April to the beginning of June. In April, Laurie Browngoehl and her family hosted a Torah in the Home for parents and high school students. We learned together, as well as got to really get to know each other. It was a wonderful evening. Following that, ToaSTY had another shul-in and a service that were amazing! Our last event in June was a day at the beach get together. It was a beautiful day, and we had a great time getting out and hitting the sand!

We hope you are looking forward to next year as much as I am. Keep a look out for our ToaSTY forms in the member packet this summer! We would love to see you at events next year!

Congratulations to next year's new Board for 2014-2015:

President: Samuel Weiner
 Programming VP: Madison Philips
 Religious and Cultural VP: Peri Leavitt
 Social Action VP: Haley Amdur
 Fundraising VP: Abigail Browngoehl
 Communication VP: Ali Prager
 Membership VP: Gillian Watson

Congratulations everyone! Welcome to ToaSTY board for our newest board members, we cannot wait to start next year! Don't forget if you have questions, or just want to know what's happening with ToaSTY, just email us at toasty@temple-sholom.org.

B'Shalom,
 ~ Joanna Gould, ToaSTY Youth Group Director

THE ETTA NATALIE ROSENBLATT PRESCHOOL

Preschool Ends on a Happy Note,
Camp Begins with a Smile

We had a fabulous year in Preschool in 2013/14. Our students had a great experience learning, growing and being part of a wonderful community. I am grateful to all the families who entrusted us with their children and very proud of my staff for their excellent work. Our enrollment was 64 students and over the last two years, we're pleased to say that 15 of our preschool families have joined the congregation.

School ended on a positive note. First, our June Fundraiser was a big success! We raised over \$1000 for our new playground. Second, our end of the parties and graduation ceremonies were extremely well received by parents and everyone else who attended. All the kids did a fantastic job performing songs and talking about their year in Preschool. Of course, we have lots of video and pictures to remember these special moments.

As you know, starting this summer we just keep on going at Preschool. We are having our first "Pre-camp Program" for the two weeks before camp begins. After Pre-camp we go right into our second season at Camp Menschy. We already have 30 campers signed up but registration remains open. We have lots of fun planned and many special outdoor activities to look forward to. Camp Menschy is the place to be this summer!

Registration for next year is already going strong. We have over 50 children enrolled so far! There are many new families and room for many more. Please let your friends, neighbors and family know that there are still spaces available. Registration will continue throughout the summer.

Classes are filling quickly. If you are interested about registration please get in touch with me or Nertila at preschool@temple-sholom.org or schooladmin@temple-sholom.org.

At Preschool, we are literally building, learning and growing, every day!

Wishing everyone a safe and fun summer.

~ Miss Liz, Preschool Director

CONVERSATIONS WITH MEN (A.K.A. MEN'S SPIRITUALITY)

I trust everyone is enjoying this lovely summer weather! Last year was a great one for the Conversations with Men group. We had a meeting every month with great topics and very interesting and engaging discussions.

Many thanks to all the guys who participated! We had over 15 men, most of whom participated on a regular basis.

I am setting out the calendar right now. If you want to be sure to get our announcements send an email to me at Daniel.Endy@gmail.com.

If you have any questions or suggestions, please email me at the same address.

DISCUSSION GROUP

Our Temple Sholom discussion group ended our season with a discussion of BDS movement (*Editor's note: Bob suggests you look up what this acronym means*). If everyone could speak as intelligently and learn from one another as much as we do the world would be a better place! Look for announcements to appear in the fall for upcoming meetings. We cover everything from A to Z including politics, religion, philosophy, science and the arts. You can contact Bob at bobnmarians@aol.com if you wish to be on the early announcement list.

Editor's Note: A very special THANK YOU and *Todah Rabah!* to Donna Hendel - for so lovingly proofing *The Temple Tidings* each month. I so much appreciate your eyes, notes, and comments. Hugs! Elyse

P.S. If you're interested, we're looking for another proofreader ... please let me know.

Ahhhh! As I sit down to write this summer Tidings article I am relishing the beautiful weather. The sky is robin's egg blue, the sun is shining and the temperature couldn't be more perfect. I am reflecting back on the incredible year of learning, friendship and our wonderful children and families.

As the first year of *Rimon* has come to an end it is time to look forward. Through feedback from our parents, our children and our faculty the 2014-2015/5775 *Rimon* year will be even stronger as we enhance our already successful program. Smaller groupings, holiday programming, family-to-family connections, education and social actions opportunities for parents will all become a part of our *Rimon* 5775 program.

As you enjoy the slower pace of summer always remember to see our world through Jewish eyes. The beauty of our natural world is the perfect time to say a *Shehechyanu*! Recite it when you see a waterfall, a beautiful sunset, the majesty of a mountain, a beautiful flower or an animal nursing its young. Our Jewishness is with us every moment of every day ...

If you have not registered for the 2014-2015/5775 *Rimon* year please contact the Religious School office. You DON'T want to miss the fun and excitement of *Rimon*!

Please note that we will no longer be using the eChalk website. All educational information can be found at the Temple Sholom website (temple-sholom.org) under "Learning."

Have a fun, relaxing and safe summer!

THE MAGIC OF LIONEL TRAVELS TRULY MAGICALLY FOR HILLTOPPERS GROUP

Last month, Hilltoppers and others were treated to Neill Hartley's exciting one-man show entitled "The Magic of Lionel: The Story of Joshua Lionel Cowen." Completely in character, Hartley brought alive the founding and history of Lionel trains and the amazing products and marketing that led to sales of 50 million trains per year.

Because trains changed the face of transportation in the 19th century, the story of Lionel toy trains is the story of a legend. The story began with the advent of electricity, when Joshua Lionel Cowen began tinkering and then manufacturing electric novelties, such as a battery powered fan. This led to store window displays of electric trains moving around a track. Although Cowen was not the first to make electric toy trains, his marketing skills swept away the competition.

Surprisingly, it was Mickey and Minnie Mouse who brought his company back to profitability after the Depression. A deal with Walt Disney for putting Mickey and Minnie into electronic hand cars resulted in publicity sent to 20 million homes. That awareness of Lionel products led to success after the troubles of World War I and World War II.

Other surprising factors contributed to Lionel's success, such as the 5-day workweek introduced in 1938. This helped train collecting become more of an adult hobby. Although many people think the most popular Lionel accessory might be the whistling train, it was actually the gateman with his lighted lamp. The invention of remote control also revolutionized the industry. Their biggest failure was the manufacture of the Lionel Girls' Train, all in pink. It was a total disaster!

Nowadays, Lionel trains are collectibles. Other products added to the line include racing cars, speedboats and airplanes. Christmas is the most popular time for trains, which have become nearly standard fixtures running on tracks under Christmas trees. After World War II, a Lionel Train set was considered the #1 toy that brought families together. In fact, their Santa Fe engines became iconic.

Lionel Toy Trains are still in business today, although they went through difficult times in the 60s and 70s and declared bankruptcy. In the 2000s, the company has returned to profitability, thanks to Harry Potter and the Hogwarts Train and the Polar Express train.

Because of professional actors and educators like Neill Hartley and his one-man shows, fascinating periods of our country's history remain alive. This was another successful Hilltoppers event! Watch for our lineup of great programs for next year. Hilltoppers has so much to offer. Please join us!

WOMEN'S SPIRITUALITY

MEDITATION DAY RETREAT

October 26

12:30 - 5:30 pm

Women's Spirituality invites you to join us for a Sunday afternoon retreat in the Temple Annex with Rabbi Yael Levy.

In recent years, Rabbi Yael Levy has focused particularly on Jewish Mindfulness, which grew out of her deep personal commitment to spiritual practice and a passionate belief in its potential to change not only individuals but also the world.

Five years ago, Rabbi Yael began what has become *A Way In Jewish Mindfulness* program, which includes programs at Mishkan Shalom in Manayunk as well as independent programs.

She is a spiritual director to rabbinical students in the Reconstructionist and Reform movements and in private practice. In March, Rabbi Yael Levy was honored for being one of America's most inspiring rabbis.

During the afternoon on Sunday, October 26, Rabbi Yael will be guiding us through *Lech Lecha* Journeys. Each of us is called to step forward into the unknown. Each of us is called to turn, change, become, in the face of uncertainty. Each of us is called to live fully and completely, even as we never know what life will bring.

Together we will practice listening into the truths of our lives and discerning ways forward. We will raise up our blessings and open to the wisdom and guidance of the Universe.

Rabbi Yael is looking forward to this journey with you. This workshop is open to all Temple women.

Contact for Sunday retreat information:
kresch@verizon.net.

WOMEN'S SPIRITUALITY -

SPECIAL JULY SESSION

Please join us for a special summer session on [Wednesday, July 23 at 7:30 pm](#) Rabbi Leah Berkowitz will be asking us "What Will Be Your Spiritual Legacy?" Throughout Jewish history both men and women composed "ethical wills." What do we hope to pass on to the next generation? We will bring our 2013-2014 year to a close as Rabbi Leah Berkowitz helps us draft our own ethical wills.

You are invited to begin your evening with us in the Temple Sanctuary at 6:25 pm for quiet reflection as Rabbi Berkowitz will be leading our meditation. At the conclusion of the meditation we will move to the Temple Library to begin our program to learn how we can create our own ethical wills.

WOMEN'S SPIRITUALITY CELEBRATES 25 YEARS!

In the fall of 1990, Rabbi Patrice Heller came to Temple Sholom to serve our congregation for the six months of Rabbi Mayer Selekman's sabbatical. Rabbi Heller initiated the Women's Spirituality Program, where we were introduced to the study of Judaism from a woman's point of view. We were exposed to Jewish women's writings, women in the Bible, and Jewish women's issues of the past and present.

When Rabbi Heller left, there was great interest in continuing the level of study that she had begun. We decided to bring in students from the Reconstructionist Rabbinical College to serve as our leaders. Meetings were also prepared and conducted by some of our own members.

When Michele Medwin was hired as our Assistant Rabbi, she led the Women's Spirituality group for the four years she served Temple Sholom. Under her leadership, the women gained considerable knowledge and developed a greater understanding of women and Judaism.

For the past twelve years the group has been led by professional guest presenters who bring their particular expertise to Women's Spirituality. Our programs are varied and have included: ethics of our mothers, reading and composing *midrash*, turning and returning (the High Holy Days), women of Massada, *kabbalah*, the Book of Ruth, what will be your spiritual legacy?, intermarriage, and is God a personal God? We continue to expand our horizons by introducing new topics and new guest presenters.

Please join us as we begin our 25th year of learning, sharing and spiritual development. All Temple Sholom women are welcome to attend any or all sessions.

Women's Spirituality thanks Sisterhood for their generous and continuous support of our program, and to all the donors to the Women's Spirituality Designated Temple Fund that enable us to provide the programming we offer.

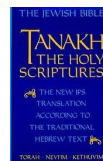

Women's Spirituality Programs for 2014-2015 are being planned for the entire year. Here are the programs for September and October to start the year for us:

COME MEDITATE WITH US!

JEWISH MEDITATION

After three years, Jewish Meditation at Temple Sholom continues to evolve. During the past year our Wednesday morning group has experienced various forms of meditation: contemplating upon a gem from Torah or Jewish thought focusing on a key Hebrew word, prayer or letter, chanting with and without words (*niggunim*), and exploring an occasional journey through visualization. Each leader brings forward what has resonated for her or him during that week.

Interest and involvement in our meditations have led to enjoyable experiences and the start of monthly Friday evening meditations prior to services.

Meditation has many benefits, among such benefits is the ability to focus our attention and build new paths to connect with our deepest self and see things more clearly.

We continue to explore and enrich possibilities through meditation as a way to enhance our daily lives. Please join us in the Temple Annex on Wednesday mornings from 9:25 - 10:15 am. All temple members are welcome and no prior meditation experience is necessary.

We will be meeting every Wednesday morning in July. Mark your calendar for the following dates and times:

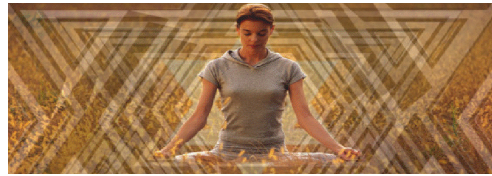

July 2, 9, 16, 23 & 30 from 9:25 am - 10:15 am

There will be no Wednesday meditation in August.

Wednesday morning meditation will resume in September. Please check the *Temple Tidings* and Friday email announcements for details or any changes that might occur.

As our third year of Jewish Meditation draws to a close we look forward to growing and sharing this time with you.

FOURTH FRIDAY EVENING PRE-SHABBAT MEDITATION

“Do Jews Meditate?” that was the question we asked as we began our pre-Shabbat evening meditation in May ... and you answered ... “Yes” Jews do meditate.

Participants in the pre-Shabbat meditation on the fourth Friday of each month have commented on how their meditation enhanced and deepened their prayer experience during the service that followed the meditation. Something powerful is added when meditating with others. It supports and enhances that experience. Shabbat has the power to refocus our lives. The practice of Jewish meditation is open to everyone. Whether you are familiar or new to meditation, everyone is welcome to make this part of your Shabbat practice. We invite you to join us for our pre-Shabbat meditations.

Fourth Friday monthly pre-Shabbat meditation will take place in the Temple Annex. We will be continuing to meet throughout the summer and into the fall. Check the *Temple Tidings* and Friday evening announcements for details on the fall schedule and for any changes that might occur.

Please mark your calendars for the following dates this summer:

July 25 and August 22, beginning at 7:00 pm and ending at 7:45 pm before the Friday night Shabbat service.

Plan to join us as we “warm up” for prayer.

We look forward to sharing this time with you.

Questions? Please contact the Temple Office or call Linda Tarash at 610-446-2101 or

THE TRADITION GROWS

SERVING THE GENERATIONS...

PAST, PRESENT AND FUTURE

Levine's new memorial chapel, Trevoze, PA

For more than 117 years, the family-owned Joseph Levine & Son Memorial Chapel has maintained a high reputation for quality while serving generations in the Jewish community.

And now the tradition grows with our new Bucks County Memorial Chapel, in addition to our Philadelphia and Main Line locations.

Whether you need pre-arrangement assistance or time-of-need service, you can find it in any of our three convenient locations.

Our knowledge of and experience with Jewish traditions will insure that every detail of a funeral is handled efficiently, sensitively and at a most competitive rate. We are proud to offer the highest quality care.

Remember us. We are available 24 hours a day, seven days a week, to answer your questions and to help.
