

BONIM

Kindergarten & 1st grade

Kindergarten and 1st graders are brought together into one group called *Bonim* (Builders). Together with a team of Learning Guides (teachers and madrichim) our youngest learners will:

- Learn about and celebrate the holidays of the Jewish yearly cycle.
- Understand and live Jewish Values through the concept of *B'tzelem Elohim* – being created in the image of God.
- Begin the process of hearing and understanding the sounds

of Hebrew by engaging in *Hebrew Through Movement*[™].

Through story, song, experiential learning and, Project-Based Learning the Kindergarten and 1st graders will use all of their senses to bring Judaism to life.

Bonim Families will come together two times during the year for our “Family Connections” program. These programs are opportunities for families to learn together *and* to make connections with other families. The Bonim “Family Connections” programs will take place:

Saturday, November 17
4:00 pm – 6:00 pm
“The Lights of Shabbat”

Sunday, February 10
9:30 am - Noon
“Social Action” – Hands On!
