

HEBREW

Kind. thru 3rd grade

Reaching and teaching our children where they are and how they learn inform our Hebrew program at Temple Shalom. To this end our Kindergarten through 3rd gr. students will be introduced to Hebrew through a method based on how children learn language.

“Hebrew Through Movement” has its roots in the way that children learn naturally. Students learn Hebrew by hearing and responding to Hebrew commands. Hebrew through Movement starts by laying a foundation of modern, spoken Hebrew, and it builds toward the goal of learning vocabulary related to the prayers in our siddur, as well as synagogue, holiday, and other Jewish vocabulary. The learning is playful, joyful, and meaningful.
