Dear Friends,

We hope you will take the time to look at our programs, activities, and opportunities to connect. In our Mishkan T'filah prayer book we read a wonderful prayer by Sydney Greenberg that concludes with the words, *"May this synagogue be, for all who enter, the doorway to a richer and more meaningful life."* Where can that meaning be found? Where you let it in!

At a very difficult time for the Jewish community, we think it is essential not just to worry but to celebrate who we are and embrace our tradition. I want to encourage you to find ways to connect to your community at Temple Sholom. We know more than ever the value of being present with one another, whether that be in person or online. So, find your connection! We look forward to continuing to grow our sacred community together.

Best,  
Rabbi Peter Rigler  
[rabbi@temple-sholom.org](mailto:rabbi@temple-sholom.org)

Dear friends,

It has been so heartening to see the community drawing closer together the last few months as we've faced difficult times for our people. I know many of us are at turns scared, angry, confused, and exhausted, and our tradition teaches it's precisely those times when we come to synagogue to find comfort in prayer and support in community.

Temple Sholom is a thriving hub of Jewish life because of all of you! It's wonderful to see the many ways we can connect and engage with one another as we head into the winter and spring. There are opportunities for study, social justice, prayer, music, and fun, and I hope you explore all the options and find ways to participate that are meaningful to you.

May we all go from strength to strength!  
Cantor Jamie Marx  
[cantor@temple-sholom.org](mailto:cantor@temple-sholom.org)

Welcome back to a new and exciting year of programming at Temple Sholom! I hope that you had the opportunity to participate in the many religious, educational, and cultural experiences on offer here through this past fall.

As you can see from this guide, our incredible staff have planned a variety of programs and activities for now through the spring. From Torah study to community volunteer opportunities, participation in one of our many committees or auxiliaries, it is never too late in the year to jump in and get involved. All our groups have an engaging scheduling of opportunities.

While many of these programs are now in person, we continue to offer a mix of virtual and in-person formats, in keeping with our recent practices.

I and the other members of the lay leadership look forward to seeing you at Temple Sholom! We wish a happy and healthy 2024 to all the members of our community.

B'Shalom,  
Steve Kanes  
President  
[president@temple-sholom.org](mailto:president@temple-sholom.org)

Welcome to a new year and new opportunities to engage at Temple Sholom! While I was thinking about what to write for this program guide, I was drawn to the question of why we gather as a community. Temple Sholom is so much more than our spiritual home. We gather to share experiences, build connections, find support, celebrate moments of joy, and draw strength

from one another in times of sadness. We gather to learn and to pray. Gathering fosters a sense of community, belonging, and shared purpose, enriching our lives through shared moments and meaningful connections.

Our staff and lay leaders work hard to find meaningful ways for everyone to find their place here. But for us to be successful, we need your feedback, your ideas. As you look through this Program Guide, I want to challenge you to find one touchpoint, one opportunity that speaks to you and that makes you want to participate. If you don't see anything that interests you, contact me! Let me know what you would like to do or to experience. From there, please come to a program and introduce yourself to just one other person that you've never met before. Go out for coffee, grab lunch or drinks, and get to know one another. The best way to ensure that Temple Sholom is truly a home for all our members is to meet one another and to share your experiences.

This year, let's gather together with intention and with purpose. Let's build those connections and create memories together. Temple Sholom is here for you! Please participate.

Jeff Green  
Executive Director

Dear Temple Shalom Family,

WOW! What an incredibly busy Fall we had around here and what an even busier spring this is shaping up to be. We have so many exciting programs coming up and I can't wait to see you all there. From Barbie Purim to Adult Confirmation to all our auxiliary programming, there is much happening!

One of the beautiful things about Temple Shalom is that there is always something for everyone: adults, children, seniors, families. We include programming for everyone throughout the year which is a wonderful thing to see. If you have ideas for programming or would like to see more of something, please come talk to me. I would love to hear what you can bring to the table.

Please don't hesitate to reach out to me with any questions regarding all that we are offering. If any of your friends or family members would also like to participate, we would be thrilled to have them. Send them my way!

B'Shalom,

### **Argentina Program with Jacob Shoshan February 4, 7 PM on Zoom**

Jacob Shoshan, licensed tour guide in Israel and lecturer at various universities in Israel, will guide us on a virtual journey to the heart of Argentina, where a unique and captivating story unfolds—the tale of the Baron Hirsch Jewish Colonies. Shoshan was born in Jerusalem, serves as a reserve officer in the IDF, and now leads tours around the world. He has been to 107 countries and led tours in 66 of them (on 6 different continents).

Picture this: vast landscapes, vibrant communities, and a fusion of Jewish heritage with the spirit of the Argentine countryside. In the late 19th and early 20th centuries, visionary philanthropist Baron Hirsch established farming villages in

Argentina, drawing over 10,000 Jews seeking a new beginning. A remarkable fusion of cultures ensued—Yiddish-speaking gauchos navigating the vast pampas, creating a narrative unlike any other.

As we delve into this lesser-known chapter of Jewish history, you’ll discover the resilience and resourcefulness of these pioneers who, against all odds, transformed the Argentine landscape. The Baron Hirsch Jewish Colonies became a vibrant tapestry, weaving together Jewish traditions with the agricultural rhythm of South America. We’ll explore the daily lives of these settlers, their agricultural pursuits, and the communal spirit that thrived in these villages. Imagine Yiddish mingling with the melodies of tango and traditional Jewish recipes, finding a place at the Argentine asado. It’s a harmonious blend of two worlds, creating a unique cultural mosaic.

Join us as we virtually traverse the landscapes once tread by these Yiddish-speaking gauchos. We’ll uncover the stories etched into the architecture of the colonies, visit local markets resonating with the aromas of Jewish and Argentine cuisine, and connect with descendants preserving this rich heritage. This isn’t just a journey through space; it’s a voyage through time, exploring the resilience of a community that found home in the embrace of Argentina. So, buckle up as we embark on a virtual expedition to the Baron Hirsch Jewish Colonies, where history, culture, and tradition converge in the heart of the pampas. ¡Vamos!
